# Project 1 | Part 2

## Student Information:

- Name: Brahian Maidana
- Section: Tue/Thur
- Email: brahianmaidana4@gmail.com

## Planning List

### Input Variables

- adjective
- location
- firstName
- color

### Output Variables

- paragraph

### Process Checklist

1. prompt the user to enter an adjective
2. prompt the user to enter a location
3. prompt the user to enter a first name
4. prompt the user to enter a color
5. create the paragraph with the user inputs

## Your Output

Last night I visited the prettiest restaurant I have ever been to. It was located right in the middle of an island just outside of town. The name of the place, dave's was lit up with big green lights.
