Project 1 | Part 1

Student Information:

- Name: Brahian Maidana
- Section: Tue/Thur
- Email: brahianmaidana4@gmail.com

Planning List

Input Variables

- `num1`
- `num2`

Output Variables

- `sum`
- `difference`
- `product`
- `quotient`

Process Checklist

```
1. prompt the first and second numbers
2. convert both inputs ino numbers
3. calculate the sum, difference, product, and quotient
4. display output
```

Your Output

```
Entered numbers: 12,10
sum: 22
Difference: 2
Product: 120
Quotient: 1.2
```
